

WALK WITH US!

Bellevue SchoolPool Partner School NEWS FLASH

June 2020

The **Interactive Routes to School** map gives parents and students a printable, visual representation of pedestrian and bicycle facilities in your school's attendance area. The map highlights and differentiates sidewalks, shared shoulder roads, multi-use paths, pedestrian paths, bike lanes, bike shoulders, sharrows and more!

Bellevue has been designated a Silver Walk Friendly Community by Walk Friendly Communities

Walking one mile a day = 100 calories burned. You could lose around ten pounds in 12 months without changing what you eat. In fact, if you add 2,000 extra steps a day, you may never gain another pound. For more interesting walking facts, check out [this blog](#).
