⚠️ **Weather conditions**

Winter weather ahead: Visit [MetroWinter.com](http://MetroWinter.com) for more information and be prepared.  
"Freezing temperatures and the possibility of snow are in the forecast. If you plan on traveling, we have tools available to help you during this round of winter weather." - [metrowinter.com](http://metrowinter.com)

⚠️ **Weather conditions**

Sound Transit Winter Weather Advisory Notice.  
"Take a few minutes to plan for snow reroutes and potential travel alternatives. The National Weather Service is forecasting snow, ice, and wind in King, Pierce, and Snohomish counties over the next several days which may have an impact on regional transportation.

Please use caution at all transit stations for potential snow and ice around platforms, stairwells, parking lots, and garages. Sound Transit will have crews out in the field working to clear snow and ice from our facilities. Be prepared in case your facility has not been cleared by the time you arrive.

Additional unplanned service interruptions may also impact routes listed below.

#### ⚠️ Construction

From January 4th through February 27th construction activity is occurring near the Shoreline South Station nightly from 5:30 p.m. until the end of service causing delays in train arrival times.

"Construction work is occurring at the NE 130th St Infill Station requiring trains to operate on a single track through Shoreline South 148th station for the duration of construction. This will occur every evening from 5:30 p.m. until the end of light rail service Monday through Friday, as well as all day on Saturday and Sunday. During weekend work, trains will arrive about every 12 to 15 minutes as opposed to every 10.

Please pay attention to station announcements and signage at Shoreline South 148th Station to determine where to board trains.

During some weekend work in January and February trains will be further delayed due to other construction projects involving the closure of the Downtown Tunnel. Please visit [SoundTransit.org/Disruptions](http://SoundTransit.org/Disruptions) for more information." - [www.soundtransit.org](http://www.soundtransit.org)  
Effective from 1/4/2025, 5:30 PM to 2/28/2025, 2:30 AM

#### ⚠️ Maintenance

Link Shuttle Buses are replacing the 1 Line from Friday, February 14 at 10 p.m. until end of service Sunday, February 16. "For several weekends in January and February, 1 Line service will be interrupted at some of the Downtown Seattle Transit Tunnel stations to allow for the completion of tie-in work that will connect the 1 Line and 2 Lines as well as work to repair overhead power at the UW Station. Link Shuttle Buses will provide service between stations during these service interruptions.

Jan. 10-12: Complete

Jan. 17-19: Complete

Feb. 1-2: Complete

Feb. 14-16: Beginning 10 p.m. on Feb. 14, shuttle buses will replace 1 Line service between Capitol Hill and SODO stations, running every 10-15 minutes. Trains will operate between Lynnwood–Capitol Hill and SODO–Angle Lake every 15 minutes. Trains will share one track at Shoreline South/148th Station.

Regular 1 Line service continues from Lynnwood to Capitol Hill and SODO to Angle Lake with trains running every 15 minutes. Link Shuttle buses between Capitol Hill and SODO will be running every 10 to 15 minutes.

Please pay attention to in-station announcements - [www.soundtransit.org](http://www.soundtransit.org)  
Effective from 1/10/2025, 10:00 PM to 3/1/2025, 2:30 AM

**i Accessibility issue**

Elevator replacements will take place at International District/Chinatown Station Exit A, beginning Tuesday, October 29 until Friday, February 28.

"Beginning Oct. 29 and continuing through Feb. 28, 2025, Sound Transit will replace and modernize both elevators at the north end of International District/Chinatown Station (entrance/exit A). During this time, all passengers needing elevator access at this station should plan to use the elevators that serve entrance/exit B, located at the south end of the station (closest to S King Street).

This work is part of a multi-year project to modernize the elevators and escalators throughout the four downtown Seattle Link stations: International District/Chinatown, Pioneer Square, University Street, and Westlake stations. These upgrades aim to enhance the reliability of the stations' facilities.

For updates, passengers should subscribe to service alerts for accessibility. You can also sign up for station-specific updates. Visit the service alerts web page to sign up for alerts and current information on service disruptions.

If you need assistance in a Sound Transit station, please call or  
Effective from 11/7/2024, 2:42 PM to 2/28/2025, 3:00 AM
