Bellevue sustainable transportation options

King County Metro and Sound Transit Buses

Go ahead, relax. Someone else is driving! Our area's extensive transit network makes traveling car-free a snap. Bellevue is served by King County Metro and Sound Transit buses. bit.ly/kcmschedules and bit.ly/stschedules

2 Line

The 2 Line light rail connects South Bellevue to downtown Redmond with the Cross Lake Connection into Seattle, opening in early 2026. We look forward to riding the rail from Bellevue all the way to Lynwood very soon! bit.ly/discover2line

BellHop

Bellevue's first 100% electric, on-demand, and free shuttle service. Getting around town is now easier and greener as a shared experience with other BellHop riders. Simply download the Circuit app, request a ride, and a sustainable shuttle will whisk you away to downtown attractions. bit.ly/bellhopvb

Rideshare

Ridesharing makes it easier than ever to leave your car at home. Learn how you can spend less time on the road and less money on fuel and parking, all while reducing traffic and air pollution. bit.ly/kcmvanpool

Walking and Biking

Getting there using one's own body just feels good. The fresh air, the energy! Not to mention what it avoids: traffic and parking headaches.
